

Malene ...to all of you

Christmas albums are a fine tradition. Bing Crosby, Frank Sinatra, Ella Fitzgerald, Diana Krall and many others have interpreted the seasonal songs, and quite a few of these collections have become classics. Here at last is a Danish Christmas album guaranteed to endure! A wonderful recording - warm, swinging and enticing in a tasteful production. We guarantee 100% Christmas spirit.

Lovely Malene Mortensen and her band sing and play their way through a collection of well-known Christmas favorites and lesser known tunes including Silent Night, Santa Claus is Coming to Town, Last Christmas, I've Got My Love to Keep Me Warm, Let It Snow, Driving Home from Christmas, Winter Wonderland and many others - as well one Danish psalm: Maria gennem torne går. The collection also includes a newly composed song, Once Upon A Christmas Song, which has everything it takes to become a new Christmas standard.

Malene Mortensen continues to develop her great talent and has been rewarded in recent years with popularity all across the world. Her latest release "Malene" reached the bestseller lists in Japan and Germany. It is currently placed on a 15 spot on the French bestseller list and is for sale just about everywhere in the

world. During this past year, her tours have taken her to Germany, Russia, Britain, France, Sweden, Norway, Thailand, Poland, Israel - and naturally Denmark. Everywhere, she has spellbound large audiences. A Danish star!

On her fourth album, the 25-year old vocalist swings persuasively and seductively through a well-known - and for that very reason - challenging repertoire. Please also take note of pianist Henrik Gunde, who recently released the highly praised album, "Gunde On Garner". And listen to the elegant bass and drum duo of Kasper Vadsholt and Jeppe Gram. Among others, saxophonist Jesper Loevdal visited the studio, and most remarkably, the French harmonica-player Olivier Ker Ourio, who lends his golden tone and incredible musicality to three tracks.

Luckily Christmas is not far off! Have a great season with Malene...
